Task 2

考试日期	2019年4月25日
类别	社会类
题目	Young people living in rural areas have to study or work in big cities away from their homes. What are the reasons? Do the advantages outweigh the disadvantages?
题目翻译	住在乡村的年轻人要远离家乡去大城市里学习和工作。原因是什么？这样做的好处大于他的坏处？
写作指导	<p>1. 注意时态，不要出现过去时（除非举过去的例子）</p> <p>2. 该题为2013年12月14日旧题，但是因为话题难度不大，所以考生们在考场上也不会太慌。</p> <p>3. 该题为混考类，既需要分析事件产生的原因，也要分析这个趋势的利弊，以及给出自己的立场。</p> <p>推荐立场：分析原因，利弊分析时考生可以持有不同看法，可以是利大于弊，也可以是弊大于利。本文的范文以弊大于利为 Sample.</p> <p>推荐思路：四段式</p> <p>Opening: 背景介绍，表达观点：去大城市学习或者工作利大于弊</p> <p>Body1: 分析该现象产生的原因。</p> <p>大城市的工作机会，相较于农村地区来说会更多；城市里的学习资源也更加丰富。</p> <p>Body2: 分析该现象的利弊。</p> <p>利：对于农村的年轻人来讲，可以学习更多的理念</p> <p>弊：城市过于拥挤，就业机会、教育资源紧张</p> <p>Conclusion: 重申立场。</p>
写作范文	<p>Attracted by abundant education resources and job opportunities in urban areas, many youngsters in rural areas have to study or work in big cities away from their hometowns. Many people doubt whether the advantages of the trend outweigh its disadvantages.</p> <p>For one hand, tertiary education has been valued above almost any other factors when it comes to personal development. It is clear that famed schools and top universities are generally located within the city scale because of the abundant resources. Therefore, they undoubtedly attract students around gathering for further academic achievements even though many young people would afford an even higher cost. For another, abundant job opportunities from urban areas and the lack of vacancies in rural places force young labor moving around for survival and a better living standard. On the one hand, booming businesses in the built-up regions generate an increasing number of positions with relatively higher salary packages for job seekers. On the other hand, traditional agricultural methods are being eliminated by modern machines for efficiency and effectiveness. Jobs</p>

	<p>in the countryside tend to be less created. Furthermore, such revolution jeopardizes people's incomes of those regions, as machines are growing both user-friendly and economical.</p> <p>Admittedly, studying and working experience in cities makes it available for them to have access to advanced knowledge which definitely broadens their horizons. Furthermore, such knowledge and experience enhance their competence in job-seeking. However, too much youngsters bumping into cities is not welcome for bringing about a lot of problems. It is so tough to witness the traffic congestion citizens are confronted with, not to mention the over-flooding with soaring populations; the scarcity of education resources and highly-competitive job-seeking situation will not be strange as well.</p> <p>Considering from the perspective of the society, I tend to believe that the benefits of such trend are outweighed by the problems it has triggered.</p>
重点表达	<p>Tertiary education, personal development, reputable schools and top universities, job opportunities, job seekers, over-crowded, traffic congestion, the scarcity of education resources, compared with</p>
