	Task 5	【学生困难】: The woman's major is business, and she is now required to		
		choose a science class to be her elective.		
		【解决方案】: There are two possible solutions:		
		First, she can pick zoology.		
	L			

	Pro: she is interested in zoology		
	Con: the zoology class starts at 9 pm, and on the same day, she starts her		
	class at 8am, which means she has to stay on campus for a whole day.		
	Second, she can pick physics class.		
	Pro: the physics class starts right after the zoology class.		
	Con: she doesn't like physics, and she worries that she cannot do well in the		
	physics class.		
Task 6	【讲课要点】: The lecture talks about two benefits of service guarantee. The		
	professor uses hotel online booking as an example.		
	Example 1: the professor once booked his hotel online. But when he was		
	about to start his trip, the hotel informed him that no rooms were available		
	that day due to some emergencies. So the hotel found another hotel		
	with the same standard for the professor.		
O,T	Example 2: there is a comment area on the online booking system, where		
	new customers can read the comments of the previous customers, and the		
0	hotel can improve its service according to this comments.
