

## 朗阁新托福口语考题预测

### 第一套:

题号	内容	
Question 1	Do you agree or disagree with the following statement? Some people sell the gifts that their friends gave them or give the gifts to others.	
Question 2	Reading part 【学校通知】: Ban students to discuss in study room. Reason 1: Distract other students from working independently; Reason 2: Students can discuss in other places like café.	Listening part 【学生态度】: The man disagrees. Reason 1: Students tend to keep voice low, and study room is not library, so they can hang out or relax. Reason 2: Going to café may cause money problem, coz each one needs to order beverage, which may really pricey, plus, it's unfair to sacrifice.
	Question: Explain the man's opinion and why he holds that opinion.	
Question 3	Reading part 【名词解释】: Elation Effect: When staffs are noticed to get higher payment, they may have temporary, positive emotion and finish the work efficiently.	Listening part 【教授举例】: The man worked in a book publishing house and handles responsibility of proofreading. He was paid hourly and finished work in consistent pace, however, when he was noticed to raise pay, he felt excited and forced the pace in high quality, after a few hours, his pace went back to normal.
	Question: 用听力的例子来解释对这个概念的理解。	
Question 4	【讲课要点】: Two advantages of shedding for plants Reason 1: Prevent damage on the plant Example 1: Maple lives in cold area and it can fall leaves to prevent brunches from being damaged by ice. Reason 2: Conserve nutrient Example 2: Avocado tree can bear more fruits than necessary and fall them down on the surface to nourish the rest of fruits.	

Since 1999

第二套:

题号	内容	
Question 1	Do you agree or disagree with the following statement? Freshmen and sophomores should be required to live on campus.	
Question 2	Reading part	Listening part
	<p>【学校通知】: The university is going to hold a yoga class outdoor. Reason 1: students can enjoy the beautiful scenes and bird songs while taking the class; Reason 2: this class is not necessarily given by a pro.</p>	<p>【学生态度】: The man agrees. Reason 1: it's a good way to relax; Reason 2: a speaker who doesn't have a strong yoga background could make this class more interesting. He or she would arrange unexpected activities that traditional yoga wouldn't have had.</p>
	Question: Explain the man's opinion and why he holds that opinion.	
Question 3	Reading part	Listening part
	<p>【名词解释】: the timing of pesticide use: Pesticides shouldn't be used immediately when there comes a pest threat. People could monitor the situation for a while and use the pesticide when it is necessary.</p>	<p>【教授举例】: Flying-beetle in Canada eats a kind of seed. Nothing needs to be done when the amount of beetles is not high. But when they consume too much of the seeds, and half of the plants are affected, pesticides should be used immediately.</p>
	Question: 用听力的例子来解释对这个概念的理解。	
Question 4	<p>【讲课要点】: The lecture talks about two ways to prevent rain water from flooding the city. Method 1: change the material of the streets. A new street material has tiny holes. When it rains, water will be drained through the ground and directed to the sewer. Method 2: some big containers can be made to collect rain water. And the water can be reused for other purposes like irrigation.</p>
